\*This tournament shall be conducted on an individual handicap basis, 90% of 230. \*Averages for this tournament are to be the highest average of 21 or more games bowled in any USBC certified league at the end of the previous league season (2016-2017), as recorded on BOWL.com. Averages established in certified leagues in the summer season shall be accepted as an official average. Summer average will be used if the average is 10 pins over your current average or 2016-2017 book average. Persons who do not have a sufficient number of games bowled to establish an average as of April 25, 2018 shall submit their current average of 21 games or more to the tournament manager as of the day they bowl in the tournament. Bowlers who do not have an established average of 21 games or more shall be required to bowl scratch (230). \*Failure to use the proper average shall disqualify the bowler's scores, if submitted average is lower than actual average. Prize winnings shall be based on the submitted average if it is higher than the actual average. All prize winning scores will be verified using the "10 pin increase" (Rule 319a-2). Use of 10 pin increase or current average requires average verification with league standing sheet. \*Corrections in averages can be made up to the completion of the first game of a bowler's first series. See USBC Rule 319e on average adjustment. Bowlers should familiarize themselves with USBC Rule 319c on re-rating. Tournament management has the authority to re-rate any bowler. \*Any bowler who has had their average re-rated by a local association or tournament club must notify the tournament manager and must use the re-rated average in the tournament. Tournament bowlers are required to report their previous tournament prize winnings of \$600.00 or more as a condition of entry (Rule 319d). \*All members of the North Central Texas USBC are eligible to participate in the tournament. Members from other associations are allowed to bowl by paying the NCTUSBC local association dues (\$ 10.00) at the tournament site. Youth bowlers are not allowed.
