
Sherrie Slaughter

North Central Texas Hall of Fame

Sherrie's love of bowling started at Hurst Bowl in 1968. Four years later while at Meadowbrook Lanes with her team mate and friend, Ruth Farris, having a ball drilled by LEWIS RAY, they signed up for a bowling class with BILL HARRIS. Before long they were both getting individual lessons.

As many of you know, there is a long list of Bill Harris' students that went on to become professional bowlers and Hall of Famers. Bill recruited BOBBIE THOMAS MUNSELL to mentor and instruct her as well. Soon, she was doing secretarial work for Bill to pay tournament entries. At that point, she began to compete at the semi-pro and professional level.

Since 1971 Sherrie has had a career in the bowling industry, in many different capacities:
