North Texas USBC is sponsoring the S.O.L.V

(Support Our Local Veterans) tournament the week of November 10-16, 2025

Both the Male and Female bowler who shoots the highest handicap series in their center during the week will receive 10% of the total monies collected in their center. The handicap will be 100% of 230

All monies collected, less payout to the winners and the BVL (Bowlers to Veterans Link) donation, will be forwarded to the VA North Texas Health Care System, which includes Dallas, Bonham and Ft.Worth Facilities. Monies are to be used for recreation and entertainment not provided by Government agency.

This Tournament has provided over \$720,000 to the VA North Texas Health Care System over the past 30 years. The veterans are very thankful for all the Dallas/Ft. Worth area Bowlers!

We urge your league, by giving at least \$2 per bowler to get to a 200% participation in this helpful benefit for our Local Veterans!

Youth Leagues are WELCOME!

NTXUSBC will donate \$500 in SMART Money to EACH center's youth program that participates. The Top 5 Youth Bowlers from each center will earn \$100.

SMART funds will be paid from North Texas USBC.

Storm will donate a bowling ball of choice to the top league in each center that has the highest amount in donations. Ball will be given to the league secretary to do with as they choose. Travel Leagues will be considered as a group that will represent a center.
