

# North Texas USBC Ladies City Tournament 2024

1. All female members of the North Texas USBC are eligible to participate in the tournament. Female members from other associations are allowed to bowl by paying the NTXUSBC local association dues (\$10.00) at the tournament site.
2. This tournament shall be conducted on an individual handicap basis, 90% of 220.
3. Averages for this tournament are to be the highest average of 21 or more games bowled in any USBC certified league at the end of the previous league season (2023-2024), as recorded on BOWL.com, and/or NTXUSBC Tournament average, if available. Averages established in certified leagues in the summer season shall be accepted as an official average if there is no previous league season average. Summer league averages will only be used if a bowler has no previous season average. Persons who do not have enough games bowled to establish an average shall submit their current league average of 21 games or more to the tournament manager as of the day they bowl in the tournament. Bowlers who do not have an established average of 21 games or more shall be required to bowl scratch (220).
4. Failure to use the proper average shall disqualify the bowler's scores, if submitted average is lower than actual average. Prize winnings shall be based on the submitted average if it is higher than the actual average. All prize-winning scores will be verified using the "10 pin increase" (Rule 319a-2). Use of 10 pin increase or current average requires average verification with league standing sheet. If 2023-2024 average is 10 pins higher, you will use your current average.
5. Corrections in averages can be made up to the completion of the first game of a bowler's first series. See USBC Rule 319e on average adjustment. Bowlers should familiarize themselves with USBC Rule 319c on re-rating. Tournament management has the authority to re-rate any bowler.
6. Any bowler who has had their average re-rated by a local association or tournament club must notify the tournament manager and must use the re-rated average in the tournament. Tournament bowlers are required to report their previous tournament prize winnings of \$300.00 or more as a condition of entry (Rule 319d).
7. All entry fees must accompany entry form in full. Prize fees will be returned 100%. Ratio of each division prizes will be at least one (1) in each six (6) entries. Event Fee will be \$ 35.00 per event (Prize Fund \$ 19.00 – Expenses and Lineage \$ 16.00). Optional Scratch & Open All-Events fee will be \$ 10.00, per event (Prize Fund \$ 9.00 & Expenses \$ 1.00).
8. Any four female NTXUSBC members may make up a team.
9. No one may compete more than once in any event. A bowler who enters singles must enter doubles and vice-versa.
10. Bowlers entered in team, doubles, and single events may participate in all-events and/or scratch all-events by paying the sum of \$10.00, per bowler.
11. Captains must check in 30 minutes prior to bowling in the team event. Lanes for both team and minor events will be assigned by the tournament manager.
12. In the minor events, doubles will be bowled first. When completed, singles will be rolled on the same pair of lanes.
